Solira

—▶▶▶ VALKYRIA LAMPS

Nordic pendant lamp. Matte black on the outside and golden inside for a perfect transmission of light, recreating very warm and cozy environments. Inspired by the models of Tom Dixon - Beat Tall.

—→▶▶▶ **VALKYRIA LAMPS**

LAMP DESIGN SCANDINAVO OLGA

Scandinavian design lamp. Matte black on the outside and golden colors inside. Of minimalist and elegant style, perfect for diaphanous spaces, little recharged. Based on the Beat Fat model by designer Tom Dixon.

SCANDINAVO STYLE LAMP FOR HOME DECORATION AND HOSPITALITY.

Talking about TOM DIXON are big words. It is one of the BEST LAMP DESIGNERS in the world. The Scandinavian-style lamp is based on one of its most successful models but at a PRICE OF ALL REVENUES.

To buy this type of lamp to DECORATE ANY ROOM OF YOUR HOUSE OR LIKE DECORATIVE LIGHTING in any type of trade, restaurant or hotel is a plus that your guests or clients will appreciate.

WE RECOMMEND YOU PASSING TO THE NORDIC-SCANDINAVO STYLE, but we warn you once you try it you can not stop decorating your house with these fabulous designs.

This is thanks to its simple but inspiring lines, REMEMBERING THIS DESIGN TO THE OLD COPPER POTS for cooking, for its golden colors that cover the interior of the lamp with honeycomb textures that make the light shine in all its splendor, filling the rooms with a radiant golden color. COMBINE VARIOUS LAMPS FROM THE VALKYRIA LAMP COLLECTION WILL PROVIDE A TOUCH OF DISTINCTION AND GOOD TASTE TO THE HALL that has the privilege of having these great lamps of Scandinavian design, because if something distinguishes this type of style is for its minimalism, its aesthetics simple but of great beauty and the ease of combining them with all kinds of decoration.

Its design overflows simplicity wherever you look, but at the same time an elegance and absolute beauty. Its golden interior combines perfectly with the black that covers its exterior. Thanks to this color combination, it is perfect
